POSITION OVERVIEW

A global educational deployment executive

Oversee global deployment operations, scale regional infrastructure, manage Regional Directors, expand subscriber growth systems, and maintain recurring retention economies.

GLOBAL NETWORK STRUCTURE

1 Executive Network Director oversees Regional Directors. 1 Regional Director oversees 50 Senior Ambassadors. 1 Senior Ambassador oversees 10 Ambassadors. 1 Ambassador deploys 10 subscribers/day.

10-month target: 1,000,000 retained subscribers

CORE MISSION

Scale Marriage Foundation Access globally through recurring educational subscription deployment.

Powered by sbd-network.web.app with Foundation Access at $9/month recurring and educational value above $2,500.

RESPONSIBILITIES

- Global network expansion and regional appointments
- Regional Director supervision and standards enforcement
- Retention economics and renewal systems
- Deployment infrastructure and strategy optimization
- Leadership development and organizational discipline

DAILY OPERATIONS

Network monitoring: regional deployment metrics, growth, retention, leadership activity.

Leadership communication: RD coordination, meetings, planning, reviews.

Infrastructure expansion: new regions, partnerships, deployment channels, sponsorship systems.

Performance review: consistency, retention health, growth velocity, leadership effectiveness.

ECONOMETRIC PRINCIPLE

Geometric recurring educational access economics

As retained subscribers expand monthly, commissions, recurring revenue, leadership override economics, and institutional growth compound.

FINAL MANDATE

Ensure Marriage Foundation Access reaches society at scale through disciplined recurring deployment, recurring retention, and institutional educational expansion globally.
